

## Autumn Term 1 2022

### Class 3 Home Learning

#### There are 3 areas of homework to complete each week:

1. **Reading:** You should read for 20 minutes each day, including 1 day each week from a book on Bug Club. The expectation is that you will record the 4 days when you have read your reading book at home in your Reading Record and hand this in each **Tuesday**. Your Reading Record will be returned back to you on the same day. Your teacher will be able to see your Progress on **Bug Club**. When you read, think about what you have read, collect examples of rich vocabulary and discuss your book with an adult regularly. Vary the authors, genres and text types you select and strive to read from the Reading Rocket selection often.
2. **Maths:** You should log on to **Times Tables Rock Stars and Numbots** at home at least 3 times each week to practise your tables and arithmetic skills.
3. You need to choose either an **English or a maths activity** to complete in your homework book and hand this in on Tuesday. Try to choose from each section over the term. Books will be returned to you each Friday.

Trying your very best, being organised with homework and meeting these expectations will result in house points, stickers or certificates and, of course, you will be learning, practising key skills and becoming an independent learner.

If any of the 3 homework expectations are not fully complete, the consequence will be to complete the missing work during break time on Friday morning. If there is more than 1 expectation missing, you will also need to stay in during Friday lunch time.

#### English Activities:

- Caught reading! Take a photo of yourself reading a book in an unusual place. Write down the book title and author. What did you enjoy about the book? How could the author make it better? Who was your favourite character and why?
- Create and draw your own character for your current reading book. Write a character description of them. Remember to use interesting adjectives.
- Read a chapter (or a few pages) of your book. Can you find exciting and powerful verbs for 'said' that the author has used? Make a list of these and think of three of your own.
- Write an informal letter to one of the characters in your reading book. Tell them about yourself and ask questions to help you find out more information about them.

#### Maths Activities:

- Roll two dice. Make a two digit number. Can you count on or back from each number in either 2s, 5s or 10s to 100? This can be presented in your book however you like.  
**Challenge:** Can you count on or back from each number in 3s or 4s?
- Ask an adult to give you 8 random numbers from 1 to 1000. Can you put them in order? Can you compare them by using  $<$  and  $>$  signs?
- Ask an adult to give you five different numbers. Can you partition them into tens and ones?  
**Challenge:** Can you partition three 3 digit numbers into hundreds, tens and ones?
- Write down the ages of you and your family members. What is the largest number you can make by adding these numbers together? What is the smallest number you can make by subtracting these numbers?

**Spelling:** This half term, Class 3 will be:

- Learning about suffixes –ly, -tion, -sion,
- Recognising punctuation, including apostrophes,
- Learning about prefixes –dis,
- Learning about synonyms
- Practicing dictionary and thesaurus skills
- learning and revising a range of spelling strategies

The spelling strategies document on the school website gives further advice about spellings.
