

Summer Term 1 2024

Class 6 Home Learning

SAT Busters: You need to complete the SAT Buster 'tests' from your 3 books as detailed in the table below and bring these in every Monday. Try and have a go at all of the questions. Feel free to look up any terminology or methods that may help you as you learn. Remember to ask Mrs Swanson about any questions you are unsure of. It is important that all 3 books are brought into school on Mondays so that we can mark the tests together in class and discuss any tricky areas or new learning.
