A Pathway to Excellence

08 October 2024

Dear Parents & Carers,

As you will have seen on the Curriculum Newsletter sent out at the beginning of term, we have our **Superhero Day** on **Wednesday 16th October**. We have another dress up event coming up after half term, so costumes are not essential for our Superhero Day. There will be a range of activities which will require them to be active, so comfortable clothes will need to be worn. We will create our own mask and logo in school that can be pinned to their clothes on the day, if allowed. If your child has a comfortable superhero costume, they are welcome to wear it, but there is no need to purchase one for this particular day. You may want to create your own costume, with simply a pillowcase being an ideal cape for example.

In school on **Tuesday 19th November**, Class 2 will be experiencing a '**Great Fire of London Workshop**'. This will support the term's history work and will help bring the children's knowledge and understanding of this time in history to life. During the day:

- We will be introduced to the story and important people at the time.
- We will compare London today to the past and find out how it changed over time.
- We will do some role play and art work linked to the topic, including lots of other hands on activities.

This will be a great 'hook' into our learning about the Great Fire of London. To make it more authentic, children will be asked to dress up in Victorian or Tudor style clothes like maid outfits or a simple white blouse/shirt and black skirt/trousers.

The workshop is presented by Past Productions and in order for this to go ahead, we require **£11.27 per child**. Please pay the voluntary contribution **by 4th November**. If contributions are not provided, unfortunately, we will have no alternative but to cancel the workshop. The payment item will be available in the Shop section of your ParentMail account from 4pm today.

Thank you for your continued support.

Kind regards,

Miss Cross
