Pathway to Excellence

Year R Curriculum Newsletter

Spring 2 2023

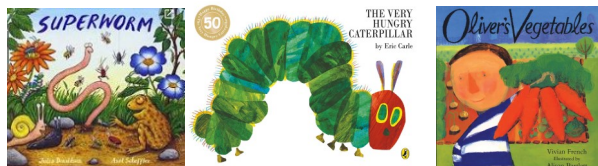

English

We will be developing our understanding of stories through learning and re-telling. We will also be developing reading strategies by looking at decoding unfamiliar words, longer words and using our reading to develop discussions about what we have read.

Our key books this term will be:

- **Super Worm**
- **The Very Hungry Caterpillar**
- **Oliver's vegetables**

We will also begin to explore the structure of simple sentences and start to write our own applying our phonic knowledge. This term we are going to be authors and create our own

Understanding the World

This term we will be developing our understanding of the natural world by exploring plants and animals (mini-beasts), making observations and drawing pictures of them. We will also explore mini-beasts habitats and observe seasonal changes.

Physical Development

We will be developing our handwriting, where we focus on practicing letter formation. In P.E. sessions our focus will be dance (linked to mini-beasts) and then athletic skills.

We will continue to have access to daily physical development opportunities through our provision, such as the bikes and large construction.

Spring 2 Come Outside

Weekly schedules:

PE is on a Thursday
Library is on a Friday
Show and Tell is on a Friday

General Introduction:

I hope you all had a lovely half-term break. We have another exciting term of learning ahead of us; including Dad's day, World Book Day and STEM week! This term we will be developing our understanding of the world around us and heading outside to get a closer look at mini-beasts and plants. **If possible please could you send a pair of named wellies in with your child the week commencing 27/02/23. We will be out exploring for mini-beasts over this half term.**

Mathematics

Pupils will continue to develop their subitising and counting skills and explore the composition of numbers within and beyond 5. They will begin to identify when two sets are equal or unequal and connect two equal groups to doubles. They will begin to connect quantities to numerals. We will also be practicing oral counting beyond 20 as well as ordering numbers and playing track games.

We will be using positional language to give directions, as well as understanding the shapes and sizes of different items, through science investigations.

RE

We will be discussing what we learn from religious stories. We will also be comparing various religious perspectives.

Spring 2 2023

Communication and Language;

We will be learning to listen to others opinions and put forward our own ideas, as well as ask and answer questions about stories we have read and listened to. We will also be learning the importance of communication in order to work well as a team.

How you can support your child at home:

Please ensure you are reading the book that is sent home with your child at least 4 times. This is to ensure fluency. Please also continue to practise recognising and saying the phonics sounds that have been uploaded onto tapestry. The children have now learnt all of their Phase 2 and 3 sounds and need to be confident recognising them on their own and also within a word in a book they are reading.

Please also continue to use Tapestry to upload things the children may have completed or made at home. Visits and new experiences that the children have had. The children love sharing these with the rest of the class and it helps to support our assessments of your child.

Personal, Social and Emotional

We will be continuing to develop our ability to play co-operatively, as well as thinking about other people's feelings and consequences of different behavior. We will be thinking about our dreams and goals. We will be focusing on our ability to show resilience and perseverance in the face of

Spring 2
Come Outside

Show and Tell Timetable

24/2/23 – Hartwell
3/3/23 – Mentmore
10/3/23 – Ascott
17/3/23 – Claydon
24/3/23 – Hartwell
31/3/23 – Mentmore

Please note: This is only a guide. Due to the nature of Early Years the learning follows the children's interests, so other activities may crop up as the children change and learn.

Just a few reminders:

Please check your child's book bag as sometimes there are letters in there for you.

Please make sure that all school uniform, PE kits and coats are named. We do our best to make sure that each child goes home with the right items and if they are named it makes the process much quicker.

Expressive Arts and Design

We will be using junk modelling skills to create bird feeders. We will also be making pictures in the style of Eric Carle and thinking about the changing seasons.

In music our topic is music and movement. We will be exploring the concepts tempo, pitch and beat as well as adding actions to pieces of music.

Important Dates:

Tuesday 28th Feb—Dad's afternoon EYFS and KS1

Thursday 2nd March—World Book Day

Tuesday 7th March—Year R, 1 and 2 Open afternoon for parents

Friday 17th March—Red Nose Day fundraiser

21st and 22nd March—Parents evening

Wednesday 29th March—PAWS Easter disco
