Dear parents and carers

Class 6 Easter revision activities

Whilst we usually have homework-free holidays, I feel it would be beneficial for Class 6 to do a small amount of revision work during the holidays as there will be only 2 weeks until the SATs when we return from the Easter break. Short, regular revision will help to keep key concepts fresh in their minds.

Children will bring home three activity booklets to be completed during the holidays:

Ten for Ten maths

Grammar, Punctuation and Vocabulary – week or workouts

Reading – week of workouts

The ten for ten maths gives 10 minutes of practice for 10 days of the holidays and includes an arithmetic and reasoning section for each day. Children can spend longer on these pages if they need or want to.

The Grammar, Punctuation and Vocabulary and Reading booklets each have 5 days of activities so I suggest completing one per day, Monday – Friday across the two weeks.

Your support in helping your child to do a short amount each day, rather than leave everything to do over 1 or 2 days, would be appreciated. I understand that the holidays can be busy times but hope, even if you are going away, you can find around 20-30 minutes each day to encourage your child with these activities. Everyone has been working so hard and it's wonderful to see just how well they have progressed.

Resources required – Summer 1 term

As part of preparation for SATs and transition to secondary school, your support with resources for activities linked to these would be much appreciated. Each child needs an empty, washed clear jar with lid (such as a small jam jar) and a plain, old, white or light coloured T-shirt that can be drawn on. Children can bring these to school as soon as they are available.

Thank you for your continued support.

Kind regards

Mrs Swanson
