

Summer Term 1 2023

Class 6 Home Learning

SAT Busters: There is just one more week of SAT Busters as homework. You need to complete the SAT Buster 'tests' from your 3 books as detailed in the table below and bring these in on Monday 24th April. Try and have a go at all of the questions. Feel free to look up any terminology or methods that may help you as you learn. Remember to ask Mrs Swanson about any questions you are unsure of. It is important that **all 3 books are brought into school on Monday 24th April** so that we can mark the tests together in class and discuss any tricky areas or new learning. After that, we will work through some more of the tests in school together.

Your hard work with this is rewarded with a well-earned rest from homework for the remainder of the term!

	SAT Buster due in	Tuesday 25 th April – Friday 19 th May
	24.4.23	
Maths	Set B: Test 5 & arithmetic Set B	Your homework is to relax, get some fresh air, enjoy the sports and activities you love, play something new, be creative, chat to your family, eat healthily, get plenty of sleep and remember how brilliant you are!
Reading	Set B: Test 5
