A Pathway to Excellence

24th May 2024

Dear Parents and Carers,

On Friday 26th July, the 2024 Olympics is due to start. To help celebrate this, raise awareness and increase personal activity, we are setting our school the challenge of completing enough activities to reach to Paris.

What is it?

'Path to Paris' is a programme for schools, families and local communities designed to help children and their families to get active together, try new things and most importantly: have fun

How it will work

Teams travel at their own pace towards Paris, so will reach Paris at different times. Teams that reach Paris before the Olympic and Paralympic Games in Summer 2024 will automatically restart their journey from Athens, Greece and are encouraged to see how many times they can reach Paris.

What you need to do

As a family you could, go for a walk, play in the playground, go for a bike ride, play bat and ball... the list is endless. Once you have done this, go to this website and use our unique school pin in and log your activity.

Log into: <https://www.getset.co.uk/app/log-activity>

Your team name: WADDES DON PRIMARY

Your Unique Pin: 2984

Then watch the KMs build up and watch us travel around the world to Paris.

TOP TIP: If your activity is below 1 hour, make sure you select 0 hours then the minutes.

Good Luck and thank you for your continued support.

Kind regards,

Mrs Smith - PE Lead
