A Pathway to Excellence

24 May 2024

Dear Parents & Carers,

## Class 1 DT Project in Summer 2

Next half term, Class 1 will be continuing their work on **Castles and Dragons** and we will be designing and constructing our own castles in Design & Technology lessons.

The children will be making their castles from cardboard and we would like to ask for your support in gathering materials over the half term. Please could you save cereal boxes and similar-thickness cardboard recycling as well as the inner tubes from wrapping paper and kitchen towel rolls (due to hygiene reasons, we are not able to use the tubes from toilet rolls).

Cereal box cardboard is ideal for our projects because it is thin enough for the children to cut themselves using classroom scissors; the boxes could be flattened to save space if you need. The smaller, single portion cereal boxes would be especially appreciated if you have any.

Thank you, as always, for your ongoing support with your children's learning.

Kind regards,

Mrs Pullinger  
Class 1 Teacher
