

2022 Summer Term 2 Year 4

Home Learning

There are 3 areas of homework to complete each week:

1. **Reading:** You should read for 20 minutes each day, including 1 day each week from a book on Bug Club. The expectation is that you will record the 4 days when you have read your reading book at home in your Reading Record and hand this in each Tuesday. Your Reading Record will be returned back to you on the same day. Your teacher will be able to see your Progress on **Bug Club**. When you read, think about what you have read, collect examples of rich vocabulary and discuss your book with an adult regularly. Vary the authors, genres and text types you select and strive to read from the Reading Rocket selection often.
2. **Maths:** You should log on to Times **Tables Rock Stars and Numbots** at home at least 3 times each week to practise your tables and arithmetic skills.
3. You need to choose either an **English or a maths activity** to complete in your homework book and hand this in on Tuesday. Try to choose from each section over the term. Books will be returned to you each Friday.

Trying your very best, being organised with homework and meeting these expectations will result in house points, stickers or certificates and, of course, you will be learning, practising key skills and becoming an independent learner. **If homework is not handed in, the consequence will be to complete the missing work during break time.**

Maths Activities:

- Try the Top marks compare decimals activity using the link below

<https://www.teacherled.com/iresources/decimals/comparedecimals/>

- Test your decimal knowledge by trying one of the activity sheets
- Can you give the correct change from £5? Work out the change you need to give using the information on the worksheet.
- Practise your times tables using Hit the button times tables game. You can select a mixture of times tables or one you find tricky. Try the division skills too on the link below. **Our Multiplication check will take place on week beginning 13.6.22.**

<https://www.topmarks.co.uk/maths-games/hit-the-button>

- Can you solve the 5 coins maths problem below?

Ben has 5 coins in his pocket. How much money might he have? How can you make sure you find all the totals? How can you make sure you don't repeat any totals? It may help to limit yourself to a few types of coins first so that you develop a good system.

- Try a word problem challenge sheet

English Activities:

- Write a non-chronological report about your favourite animal. Remember to include: Heading, subheadings for each paragraph, facts and interesting information.

Challenge: Try to include formal language, fact boxes and technical language.

- Write 6 sentences using possessive apostrophes with irregular plurals. Eg: Unfortunately, the boys' footballs were all punctured.
- Write a short setting description of either a film or a book you have seen/read recently. Remember to use VCOP.
- Write a conversation between 2 characters to show that you know how to use inverted commas around speech and put other punctuation (commas etc.) in the correct place

- Use Pic collage to create an advert for a book that you have read

- Try the spelling challenge to help you learn your year 3 and 4 spelling words. Take a sheet from the class.

- Have a go at the Viking Comprehension. Apply your reading skills and learn about the Vikings at the same time!
