

Summer Term 2 2021 - 2022

Class 5 Home Learning

There are 3 areas of homework to complete each week:

1. **Reading:** You should read for 20 minutes each day, including 1 day each week from a book on Bug Club. The expectation is that you will record the 4 days when you have read your reading book at home in your Reading Record and hand this in each Tuesday. Your Reading Record will be returned back to you on the same day. Your teacher will be able to see your Progress on **Bug Club**. When you read, think about what you have read, collect examples of rich vocabulary and discuss your book with an adult regularly. Vary the authors, genres and text types you select and strive to read from the Reading Rocket selection often.
2. **Maths:** You should log on to Times **Tables Rock Stars and Numbots** at home at least 3 times each week to practise your tables and arithmetic skills.
3. You need to choose either an **English or a maths activity** to complete in your homework book and hand this in on Tuesday. Try to choose from each section over the term. Books will be returned to you each Friday.

There is a chart in your Reading Record to tick off each part of your homework daily so that you don't forget anything. Trying your very best, being organised with homework and meeting these expectations will result in house points, stickers or certificates and, of course, you will be learning, practising key skills and becoming an independent learner.

English Activities:

- Reading Comprehension focusing on: 'Wimbledon'. Ask your teacher for a differentiated worksheet.
- Reading Comprehension focusing on: 'Liverpool Winning the League'. Ask your teacher for a differentiated worksheet.
- SPAG focusing on: Embedding Clauses. Ask your teacher for a worksheet.
- Write an account of how you celebrated the Queen's Jubilee.

Why not have a go at reading some of our 'Reading Rocket Books' this half term!

Maths Activities

- Design and make a game to help year 4 pupils learn all about fractions. You could include things such as: equivalent fractions, comparing fractions, improper and mixed number fractions adding and subtractions fractions or multiplying fractions.
- Have a go at finding equivalent fractions- Collect a sheet from the home learning box.
- Have a go at adding fractions with different denominators- Collect a sheet from the home learning box.
- Create a revision booklet on fractions. Include information such as: identifying equivalent fractions; converting improper fractions to mixed number fractions and vice versa; adding and subtracting fractions (including mixed number/ improper fractions) and multiplying fractions.
