

## Summer Term 2 2022

### Class 6 Home Learning

There are 3 areas of homework to complete each week:

1. **Reading:** You should read for 20 minutes each day, including 1 day each week from a book on Bug Club. The expectation is that you will record the 4 days when you have read your reading book at home in your Reading Record and hand this in each Tuesday. Your Reading Record will be returned back to you on the same day. Your teacher will be able to see your Progress on **Bug Club**. When you read, think about what you have read, collect examples of rich vocabulary and discuss your book with an adult regularly. Vary the authors, genres and text types you select and strive to read from the Reading Rocket selection often.
2. **Maths:** You should log on to **Times Tables Rock Stars and Numbots** at home at least 3 times each week to practise your tables and arithmetic skills.
3. You need to choose either an **English or a maths activity** to complete in your homework book and hand this in on Tuesday. Try to choose from each section over the term. Books will be returned to you each Friday.

There is a chart in your Reading Record to tick off each part of your homework daily so that you don't forget anything. Trying your very best, being organised with homework and meeting these expectations will result in house points, stickers or certificates and, of course, you will be learning, practising key skills and becoming an independent learner.

If any of the 3 homework expectations are not fully complete, the consequence will be to complete the missing work during break time on Friday morning. If there is more than 1 expectation missing, you will also need to stay in during Friday lunch time.

#### English Activities:

- Write a newspaper report about the Ancient Greek Olympic games.
- Create a story board or cartoon strip to show a Greek myth.
- Write a mini-biography about William Shakespeare.
- Write a paragraph to describe a character from *The Tempest*.
- Write a review of Bug Club. Include the pros and cons then summarize with your overall opinion.
- Write a recommendation for one of our reading rockets; think about how you can make it sound appealing to other readers.

#### Maths Activities:

- Foreign currency
  - a. Find out the current exchange rate for the Pakistani Rupee.
  - b. How much (in pounds sterling) would it cost to buy 5000 Pakistani Rupees.
  - c. A shawl is priced at 7600 Rupees in Pakistan. What is the equivalent price in pounds sterling?
  - d. Write your own question that involves using an exchange rate.
- Budgets.

Plan a party for 12 people. You need to buy food, drinks, decorations and prizes

  - a. Research the real cost of items you would like to have at the party.
  - b. You have a budget of £160 for the whole event. List what you will buy and the cost.
  - c. What was difficult about this and what did you do to help?
  - d. Could you have a party for 12 people that's cheaper? How?
