Thursday 2nd September

Dear Parents,

Welcome back! I hope you had a lovely summer break.

We will be continuing to use the online reading programme Bug Club this year. Your child will bring home books but the expectation is that they will also access Bug Club at least once a week.

Please find attached an information letter about the programme. There are also games to play after earning coins when read. Don't forget to click on the bug icon:

to answer the comprehension questions on certain pages. It is important that you answer these questions to be allocated a new book.

Log in details will be in your child's Reading Record if they are in KS1 or in their Home Learning book in KS2. Class teachers will check Bug Club online weekly and allocate books once a week.

The aim is to develop comprehension skills rather than just read the book.

If you have any questions or problems, please do not hesitate to get in touch with your child's class teacher or access the help online:

If your child is having trouble using the pupil world, help can be found in the Help Section of ActiveLearn Primary (in the top right-hand corner of the website).

Please note: Bug Club strongly recommends using Google Chrome or Mozilla Firefox web browsers with ActiveLearn. If you prefer to use Internet Explorer, please check you have at least IE9 in order for everything to work as it should.

Kind regards,

Miss Cross
