

School Travel Plan Newsletter

Welcome back to a new academic year. We have appointed two JRSO's (Junior Road Safety Officers) from Year 6, who will help to run events and competitions throughout the school year so that we can all stay safe. They are also in charge of collating the data to work out which class is the most active when coming to and from school.

Well done to those of you who took part in the soggy 'Tour de Vale' cycle ride (25km) for Wheel Power on Sunday 19th September. Please see photographs of the event on the school website under 'School Travel Plan'.

We have many activities and competitions planned for the upcoming months.

In October, it is 'International Walk to School' month, try and leave the car at home and walk, scoot or cycle as much as you can. You will feel so much better for the extra exercise and the roads will be less congested too.

In October, we will also be taking part in 'Be Bright Be Seen'. Children may come to school wearing something brightly coloured on **FRIDAY 22nd OCTOBER**. There will also be a 'Be Bright Be Seen' design a T-shirt competition. This will be judged by our JRSO's. There is no charge for this event.

Thank you for all of your support.
