Show and Tell

Dear Parents,

Show and tell will happen every Friday afternoon starting on Friday the 17th September. It will be the turn of one house colour every week, so every child will have a turn every four weeks. Children are encouraged to bring in something that is special to them that they can talk about. This item must be placed in the show and tell box first thing Friday morning. If they do not have something to show, they are welcome to just talk about something instead. Parents can also upload a short video or photo on Tapestry if they wish.

This is a great opportunity to encourage the speaking and listening skills of the children in the class. If the children do not want to do a show and tell they will not be forced to! However, we hope that in time all children will take part.

The children have all been placed into houses, this list is in the classroom. All siblings should have been put in the same house. Please speak to me if this has not happened.

Here are the dates, suggested theme and colours for this term's show and tell.
