20th October 2021

Dear parents and carers,

We are writing to inform you of an exciting trip that we have planned for Class 5. We are fully aware that the children have missed out on their residential trip and other trips due to Covid, therefore we have taken this into consideration and we have planned a truly exhilarating experience.

In order to combine our Science topics (Space and Forces) with our core texts (Cosmic and Skyhawk) we have booked for Class 5 to go to iFLY in Milton Keynes on Thursday 27th January 2022, so that they can experience what it is like to soar like a bird in the tunnel with highly trained instructors. Following on from this, we will be delivering some thought provoking workshops in school on flight.

The cost of this trip will be **£38.44 contribution**. This will include their experience at iFLY and the coach. This trip can only go ahead if all parents are willing to contribute, otherwise it will not be able to proceed. We realise that this is a costly trip, therefore to make it more manageable to pay, you may pay the full amount of the trip or you may pay in two instalments.

- First instalment of **£20.00 must be paid no later than 1st November.**
- Second instalment of **£18.44 must be paid no later than 1st December**
- Alternatively you can **pay in one lump sum no later than the 1st December.**

These payments can be made by logging into your parentmail account.

Kind Regards

Mrs Morris and Mrs Leslie
