Thursday 4<sup>th</sup> November

Dear Parents and Carers,

Teach Your Monster to Read is a great game that makes learning to read fun. By playing it at home, children will be rehearsing and consolidating what they learn in school. It covers everything from letters and sounds to reading full sentences.

I know many of you already use Teach Your Monster to read at home through the app or on a PC/laptop. It is such a great resource to help children learn to read. We use it in school and the children really enjoy it. It's free to play on a PC and laptop, or you can download the *Teach Your Monster to Read* app from the app store on phones and tablets.

For one week only you can download the app for free.

**The offer starts Thursday November 4<sup>th</sup> and ends Wednesday November 10<sup>th</sup>.**
