

Autumn Term 2 2021

Class 3 Home Learning

There are 3 areas of homework to complete each week:

1. **Reading:** You should read for 20 minutes each day, including 1 day each week from a book on Bug Club. The expectation is that you will record the 4 days when you have read your reading book at home in your Reading Record and had this in each Tuesday. Your Reading Record will be returned back to you on the same day. Your teacher will be able to see your progress on **Bug Club**. When you read, think about what you have read, collect examples of text types you select and strive to read from the Reading Rocket selection often.
2. **Maths:** You should log on to **Times Tables Rock Stars and Numbots** at home at least 3 times each week to practise your times tables and arithmetic skills.
3. You need to choose either an **English or a Maths activity** to complete in your homework book and hand this in on Tuesday. Try to choose from each section over the term. Books will be returned to you each Friday.

There is a chart in your Reading Record to tick off each part of your homework daily so that you don't forget anything. Trying your very best, being organised with your homework and meeting these expectations will result in house points, stickers and certificates and, of course, you will be learning, practising key skills and becoming an independent learner.

If any of the 3 homework expectations are not fully complete, the consequence will be to complete the missing work during break time on Friday morning. If there is more than 1 expectation missing, you will also need to stay in during Friday lunch time.

English Activities:

The English homework is based on your reading books. Therefore, regular reading (and reading books from beginning to end) will help you do these activities well.

- Write a diary entry for a character in your book. Choose a day in your characters life that you could write about. Remember to include the features of a diary entry.
- What questions would you like to ask the main character in your book? Write some interview questions that you could ask. Can you ask extended questions?
- Create a quiz about the book you are reading. Your quiz must contain at least 5 questions. Don't forget to include the answers!
- Write an alternative ending to the story you are reading (or a different story if you have not yet finished your current book).

Maths Activities:

- Have a walk around your village/town and record the number plates on cars that you see. How many different numbers can you make with the digits from the number plates?
- Work out the cost of your first name and surname. Can you work out the cost of other family members names? Whose name costs most?

15p	9p	8p	7p	6p	5p
a	b	c	d		
e	f	g	h		
i	j	k	l	m	n
o	p	q	r	s	t
u	v	w	x	y	z

- Can you roll a dice to create some 2 digit or 3 digit numbers? You then need to use the column method to add these numbers together. Try to record different 10 sums.
- Hunt in your house or garden for different shapes. Can you find and list 3 different objects for each shape?
 1. Cube
 2. Sphere
 3. Cone

Spelling: This half term, Class 3 will be:

- revising suffixes from Year 2 - s, es, er, ed, ing
- revising homophones - break/brake, great/grate, eight/ate, weight/wait, sun/son
- learning and practising prefixes – ‘mis’ & ‘re’
- learning and practising the sounds ‘y’, ‘gue’ & ‘que’
- learning and practising proofreading

The spelling strategies document on the school website gives further advice about spellings.
