

# Spring Term 1 2022

## Class 4 Home Learning

### There are 3 areas of homework to complete each week:

1. **Reading:** You should read for 20 minutes each day, including 1 day each week from a book on Bug Club. The expectation is that you will record the 4 days when you have read your reading book at home in your Reading Record and hand this in each Tuesday. Your Reading Record will be returned back to you on the same day. Your teacher will be able to see your Progress on **Bug Club**. When you read, think about what you have read, collect examples of rich vocabulary and discuss your book with an adult regularly. Vary the authors, genres and text types you select and strive to read from the Reading Rocket selection often.
2. **Maths:** You should log on to Times **Tables Rock Stars and Numbots** at home at least 3 times each week to practise your tables and arithmetic skills.
3. You need to choose either an **English or a maths activity** to complete in your homework book and hand this in on Tuesday. Try to choose from each section over the term. Books will be returned to you each Friday.

Trying your very best, being organised with homework and meeting these expectations will result in house points, stickers or certificates and, of course, you will be learning, practising key skills and becoming an independent learner. If homework is not handed in, the consequence will be to complete the missing work during break time on Friday morning.

### Maths Activities:

#### Online activities:

<https://www.topmarks.co.uk/maths-games/hit-the-button> - choose multiplication

<https://www.topmarks.co.uk/maths-games/hit-the-button> - choose division

<https://www.topmarks.co.uk/maths-games/multiples-and-factors>

- Create a shopping list of 10 items. Put the price next to each item. Work out the total of your shopping list.
- Choose 6 one-digit numbers. Make as many numbers as you can with only those numbers.
- Draw 6 squares or rectangles and calculate and measure the perimeter of each shape. (Please use a ruler for your drawing and measure accurately)
- <https://www.bbc.co.uk/bitesize/topics/z36tyrd/articles/z2fkwx>  
Recap multiplying and dividing by 0,1,10 and 100. Watch the video and complete the tasks and the quiz. How did you do?
- Multiplying and dividing by 10 and 100 activity sheets (ask Mrs Bennett)
- Times tables challenge! Even if you know them all which ones could you improve your speed on? Use the activity sheet to help you (see Mrs Bennett).
- Maths challenge- try one of our tricky challenges

### English Activities:

#### Online activities for reading - deduction

<https://www.topmarks.co.uk/Flash.aspx?b=english/deduction>

<https://www.topmarks.co.uk/Flash.aspx?e=reading01>

- Write a poem to read aloud (if you would like to) about the Christmas holidays
- Make a list of 10 homophones and write sentences to show their different meanings.
- Research facts about Spain. You can choose how to present this in your homework book.
- Choose 10 words from the Year 3 & 4 spelling list and write interesting sentences to show their meanings.
- Write a diary entry as a character from a book you have read. Remember to write in the past tense.
- SPAG activity sheet (see Mrs Bennett)
