March 2022

Dear parents/carers,

I am writing to inform you that we have an exciting opportunity available at school in the spring term for the children in Year 1.

As part of our school travel plan, 3 adults have been trained in Road Safety and as part of the 'Footsteps' programme will be teaching your child basic road safety during part of the school day. During the school day, on **Friday 25th March**, your child will learn the skills to become safe road users by walking around the local area with trained staff members. Please can you let the school office know if you **do not** want your child to take part in this pedestrian training.

Footsteps is a three stage programme which focuses on the skills needed to become safer road users. It includes:

- *The Green Cross Code*
- *safe places*
- *vehicle lights*
- *stopping, looking and listening*
- *crossing – while holding an adults hand*
- *fast and slow*
- *near and far*
- *parked cars*
- *crossing*
- *being seen*
- *weather conditions*
- *people who can help*
- *planning a safe route*

Kind regards,

Mrs Jessica Morris
