

## Spring Term 2 2024

### Class 6 Home Learning

**There are 2 areas of homework to complete each week:**

1. **Reading:** You should read for 20 minutes on at least 4 days each week. The expectation is that you will record these 4 days, when you have read at home, in your Reading Record and hand this in each Monday. Your Reading Record will be returned back to you on the same day. When you read, think about what you have read, collect examples of rich vocabulary and discuss your book with an adult regularly. Vary the authors, genres and text types you select and strive to read from the Reading Rocket selection often. Also, remember to keep your activity passport, which is in the back of your reading record, up to date.
2. **SAT Busters:** Each week, you need to complete the 3 SAT Buster 'tests' from your 3 books as detailed in the table below and bring these in each Monday. Whilst the books suggest 10 minutes for each, at this stage, it is OK to spend 15-20 minutes on each if you need to. Try and have a go at all of the questions. Feel free to look up any terminology or methods that may help you as you learn. Remember that you have from Thursday – Sunday to complete these and this gives you plenty of time to ask Mrs Swanson about any questions you are unsure of. It is important that **all 3 books are brought into school each Monday** so that we can mark the tests together in class and discuss any tricky areas or new learning. If you have your books, with your answers, then the learning experience for you will be greatly improved during these sessions.

**There is one optional activity to complete each week (this is very helpful if you cannot yet recall all of your times tables facts quickly):**

1. **Maths:** Log on to **Times Tables Rock Stars** at home 2 - 3 times each week to practise your tables.

Trying your very best, being organised with homework and meeting these expectations will result in house points, stickers or certificates and, of course, you will be learning, practising key skills and becoming an independent learner. If the homework expectations are not fully complete, the sanction will be to complete the missing work during a break or lunch time.
