Dear Parents

Class 5 and 6 end of year production: A Midsummer Night's Dream

We will be holding our performances on the following dates:

Dress rehearsal	Monday 10th July 10am
Evening performance	Monday 10th July 6pm
Afternoon performance	Tuesday 11th July 2pm
Evening performance	Tuesday 11th July 6pm

Pre-school children and classes R – 4 will be watching the dress rehearsal on Monday 10th July. We ask that under-fives come to this dress rehearsal rather than our other performance as our children have been working very hard to give a 'polished performance'.

Costumes

Information will be sent separately about what your child will need.

Evening performance arrangements

It is hoped that all class 5 and 6 children will attend the evening performances; if you have commitments that mean this is not possible, please advise your class teacher as soon as possible to help with re-positioning of children etc.

Children should come to school at 5:30pm.

All children will need to be collected by an adult at the end of the shows. We expect the performance to last for approximately 1 hour.

Tickets

We ask you to select your preferred ticket allocations on the ParentMail form (see cast change information below). You can request additional tickets as we may be able to issue more when the final numbers are in. Class 6 families will take priority. **The closing date for ticket requests is Friday 23rd June**; tickets will be issued the following week.

Seating

Whilst specific seats are not allocated, it may be an idea to allow class 6 parents to sit in the first few rows as this will be the final primary performance for them. Of course, this is entirely up to you and not something we will be enforcing.

We do ask that audience members remain seated for the duration of the performance so that viewing experiences of others is not disturbed.

Photos

We are happy to allow parents to photograph their children during the performance as long as this doesn't interfere with the viewing experience of others. In the interest of keeping children safe and respecting families' rights to privacy, please ensure the photos you take are for your personal use only. It is worth bearing in mind that some families are not comfortable with photos of their children being displayed on social media so it's always a good idea to either post photos that just include your children or to check with other parents' if your photo has other children in it.
