Would you like to come to a tea party

Section 6

Can you write 3 letters that are...
vowels?
consonants?

Wednesday 24th June 2026

English activity:

In our story, Arthur makes a Golden Rope out of 2 very strange objects that he has to find.

Imagine you are Arthur, who needs to capture a monster. Come up with 2 things you would need to find, and then create an object that would allow you to capture it! It could be a magical cage, a strong weapon, a whimsical sleeping potion, anything you can think of!

Draw and describe your two items Arthur needs to find, then design something new when they are put together. Don't forget to label what they are and how to use them!

Challenge: Can you draw the map that Arthur would need to take find these objects? Who would he meet along the way? Are there any dangers he would need to escape from?

<p>Object 1:</p>	<p>Object 2:</p>	<p>Final creation!</p>
------------------	------------------	------------------------

Maths Activity:

Section 1

Start at 24 and count on in multiples of 4. What will be the fifth number you count?
