Write the Splurge-Gun Report

The editor of a city newspaper needs a short report about a splurge-gun incident at Fat Sam's. Write like a reporter and use formal language, clear paragraphs and at least one quotation.

- 1** Write a headline and opening paragraph for a report about a splurge-gun attack during a performance at Fat Sam's. Make sure your opening includes the main facts first.
- 2** Write the next part of the report. Include one quotation, keep the tone neutral and add later details in clear paragraphs.

You can do this either on the computer (I will have newspaper template available on Purple Mash) or you can draw it out.
