Mrs Arnaud will be available on the afternoon of Friday 14th May for parents to hand over any medication for the trip (including travel sickness). All medicines must be signed over to a member of staff. Please can you ensure the medicines are clearly labelled with your child's name. If you have any other queries please call in to see us at this time.

We can also take these on Sunday morning if necessary.

If there are night time issues that we should be aware of such as, night terrors or bed wetting, please see Mrs Smith as soon as possible.

We will take spare sanitary products with us.

Spending Money

Some of our locations have gift shops.
Maximum £20 split over 2 days.

Two named envelopes each containing up to £10 (for Wednesday and Thursday) to be handed in to Mrs Arnaud after school on Friday 14th May or on Sunday morning please.

No money will be needed for Sunday, Monday & Tuesday

Behaviour

We have the same high expectations as we do in school.

We're often complimented on the outstanding behaviour of our children.

Children will contribute to a code of conduct for the trip before the visit.

Whilst very unlikely, if a situation arises where a child's behaviour puts their own safety or the safety of other children or staff at risk, or there is a serious breach of behaviour expectations, we will contact you to travel to Wales to collect your child.

Cost and Payment

We hope that cost per child will be similar to last year – around £400.

Payment can either be made in full or with an initial deposit of £75 (October 5th) followed by five further instalments.

Letter will come out via Parentmail once the final quotes have been received.
